

# Muhammad Wahaj Ahmed

Calibration Assistance

I Hope you'd be doing well, I am Muhammad Wahaj Ahmad, graduation in Mechanical Engineering Technology from University of Engineering and Technology, Lahore Pakistan. I have experience in production industry. Along with theoretical studies I also have expertise in Ms Office, Primavera and Calibration. I have successfully passed the certification of a calibrator and had worked as a calibration assistant in industry. I am looking forward to work in your organization where I can apply my theoretical knowledge and practical skills to benefit your company and sharpen mine skills.

Will be waiting for your reply
