HR Manager

Dear Sir/ Madam,

Please find the resume attached for the mentioned position. I'm particularly interested in this position, which relates strongly to my nearly 7 years of experience in the areas of Project Management (Civil Constructions), Site Engineering & Administration, Construction Management, Quality Assurance & Control, besides others.

I am qualified Civil Engineer with PMP and NEBOSH currently working with Nass Contracting Co. WLL, Bahrain, I believe I meet all the essential criteria for the position. I am a keen communicator with good interpersonal, problem-solving and analytical skills and I am now willing to take up roles in Project Engineering / Project Management with an organization of high repute preferably in Construction across Middle East.

I am keen to join your firm due to its leading position in the industry, great organizational culture, spirit of innovation, professionalism that characterizes your firm and its employees. I am attracted to this role on account of the organizational performance, values and challenges that it offers.

I appreciate your efforts in taking the time to review my credentials and experience. Looking forward to a positive response.

Sincerely,

Deepak RG PMP
