sous chef,
mc gettigans irish restaurant, manama , kingdom of bahrain.

Dear Sir/Madam,

Application for the role of sous Chef

I have always had a keen interest in cooking and working with different ingredients. I like to try making different dishes and usually have a good eye for what foods should go with what. I feel that I am a very creative person and show this through my food.

I am now looking to progress my career through being a head Chef, as you will see from my CV I have worked at different establishments learning about food and different methods of cooking and I would be very interested in working for your restaurant as you have a great reputation in the industry.

I would be happy to come and show you my culinary skills and to discuss the role in further detail. I am a very organised person who pays great attention to detail. I work well with others and like to work hard in a calm and patient manner.

I have enclosed my CV for your consideration. If you have any questions, please do not hesitate to contact me and I will be happy to discuss anything further with you. Thank you for taking the time to read my letter and CV and I look forward to hearing from you.

Yours sincerely,
nallagonda nikhil
