Dear Hiring Manager,

I am a proactive and results-oriented professional with proven experience in analyzing the needs of the business and its customers and coming up with solutions to business problems, now, I am seeking further challenges in your organization.

Currently, I am associated with INTDV, as Senior Business Analyst, wherein I analyze client's business requirements and processes through document analysis, interviews, workshops, and workflow analysis. Moreover, I have been vastly successful in progressively responsible positions (as elaborated in the résumé). I further support our client systems by testing business applications from a business perspective to ensure that all client requirements are incorporated into the design and I am well versed in software development lifecycle methodologies.

Furthermore, I have proven track record of translating stakeholder requirements into tangible deliverables that exceed expectations. I have tailored myself to effectively deliver on the expectations of the role that I have been assigned with a desire to further maximize my skills at an international platform. My resume is enclosed for evaluation.

I am available for interview process. If you have any questions or wish to schedule an interview, please feel free to call me at 00973-35921638 / 00966-580263593 or E-mail me at nadiyamathew@gmail.com. Thank you for taking the time to consider my application, and I look forward to hearing from you soon.

Thank you for your time and consideration.

Sincerely,

Nadiya Mathew
