- Basic Computer Knowledge

## OBJECTIVE

To become a significant contributor in an esteemed organization that provides challenging environment and opportunities to work and to tap my potential on to maximum extent.

## ABOUT ME

Maintenance Engineer dedicated to continuous process improvement in the face of rapidly evolving and changing markets. Extremely results-oriented and proactive in addressing and resolving problems. I am reliably self-motivated, and I believe in doing the job right the first time. The majority of production equipment I have come in contact with over the years, all have had designs and modifications made to improve the reliability and quality.

Great command of mechanical engineering fundamentals and application of engineering design theories and principles with keen interest towards maintenance. Skilled Project Management, Passionate leadership identifying issues and providing solutions.

## PROFESSIONAL EXPERIENCE

**NEW MANGLORE PORT TRUST (NMPT)      Jan - Feb 2019    PUMP HOUSE MAINTENANCE & CARGO HANDLING**
