

Dear Sir / Madam,

Via my online research in your site through job opportunities I found that there's an opportunities to work for a construction engineer. I am very interested in this position and believe that my experience is appropriate for this position.

I am working as Civil Engineer in First Kuwaiti Trading and Contracting Company, the main contractor in East Hidd housing project in Bahrain where I earned my experience. Also, I saw your employer has a good knowledge which makes me interested to choose your company and I want to develop myself and increase my knowledge and my skills. I will be proud if I join to your company and if I will have an area in your company developing.

In addition to my experience, I gained many skills in my life. I am an organizer, time keeper, willing to learn. Also, I have good skill in AutoCAD and Primavera6.

I look forward to talking with you regarding construction engineer opportunities. Within the next week I will contact you to confirm that you received my resume and to answer any question you may have.

Thank you very kindly for your consideration.

Sincerely,

Sara Nasser
