Dear Hiring Manager,

As a highly skilled Electronics Technician, I read your posting for a new Led, Lcd Tv Technician with interest. My experience aligns well with the qualifications in particular my role as an Electronics Technician with Ajrass Music & Electronics, and I am certain I would make a valuable addition to your organization.

With more than 11 years' experience as an Electronics Technician, I am adept in equipment evaluation, maintenance, and repair. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate problem solving and communication abilities, I excel at:

- Testing and maintaining industrial electronic control systems and components.
- Conducting highly complex diagnostic and operational tests.
- Performing routine automation equipment maintenance.
- Tracking maintenance and repair actions, and completing records.

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for electronics. I am extremely enthusiastic about Ajrass Music & Electronics, focus on Led, Lcd, Tv and would welcome the opportunity to contribute to your success as a contributing member of your team.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss how my experience and background meet your needs.

Thank you for your time and consideration.

Sincerely,

Gourahari Behera
