Financial Control and Financial Modelling

Profile

Seeking a challenging career opportunity where I can enhance and utilize my skills in organization where a diligent and organized approach is rewarded and actively encouraged.

Career Summary

Al Baraka Banking Group - VP MIS and Budgeting

Sep 2009-Present

As part of my responsibilities:

- Receiving, adjusting and consolidating the monthly and quarterly financial data received from the subsidiaries using the Financial Consolidation System.
- Analyzing and preparing financial data to present it to the Management on monthly, quarterly and annual basis.
- Contributing in preparing and consolidating the Group budget, including setting budget targets, receiving and validating budget packages, discussing the budget received with subsidiaries and preparing the final reports to the Management and Board.
- Support subsidiaries' Finance Departments in terms of automation and designing respective reports.

Al Baraka Banking Group - Trainee

Jun 2009 - Sep 2009

- During the three months training program in Al Baraka Banking Group, I was rotated within Finance Department where I came across through financial reporting, MIS reporting & Budgeting, reconciliation and Head office accounts.

TAIB Bank - Trainee

Jun 2006 - Aug 2006

- During the summer training program at TAIB Securities, I was involved in the process of administrating and selling Al Rayyan Bank's shares.
