## CLOUD ARCHITECT

---

Dear Sir,

I'm writing to apply for the potential vacancy in your organization suitable for my qualification and experience that will enable me to contribute your team. I am efficient and reliable IT professional with 8 plus years of experience in implementation, support and design of Microsoft technologies for Enterprise to varied Customers.

I started my career as a Customer support Engineer with Wipro Infotech in Sep 2012. I monitored and gained experience in Microsoft Core IO technologies like SCCM, SCOM, SCDPM Active Directory, MDT. Later in the year Nov 2014, I moved to CMS IT Services and was working as an Associate Consultant until Dec 2016. I later moved to Sonata Softwares and was working as Consultant, I was at Sonata Softwares from Jan 2017 to Nov 2020.

Here, I gained an opportunity to work on Microsoft Enterprise Mobility Suite like Azure Active Directory, Intune, Azure Information Protection, Azure Identity Management.

I currently work as a Cloud Architect for Microsoft 365 at Crayon Software Expert India Pvt Ltd since November 2020 where I have been able to further strengthen my technical acumen.

I have attached my resume highlighting my academic and professional skills for your kind perusal and look forward to hearing from you in due course.

Regards,

**Akshay P K**
