About Me

Hardworking person who is interested in gaining multi-skills of life and seeking more knowledge and experience. I am looking for a job as Safety Officer or Assistant since I hold Nebosh IGC and I desire to expand my knowledge and experience in this field.

Why Health & Safety?

Being a main field that interacts with all aspects of life, from home to school and workplace, as interested in gaining knowledge, I decided to join. Moreover, chances of growing with Health & Safety is better than all other fields.

Future Plan?

Completing Nebosh in Environment and then moving to Diploma in HSE and later applying for Master in Health, Safety & Environment from University of Hull.
