

Dear Sir/Madam,

I am K.Chinnadurai looking for change in job. I have done BE in MECHANICAL ENGINEERING with 19+ years of experience as a Lifting Engineer/ Inspector/ Rigging Supervisor/ Trainer worked in EPIC Contracting Company, TPC Company, Process Plants and Operations such as Oil & Gas, PetroChemical, Oil Refinery, Terminal, Power Plant and Construction Field.

I have certified Diploma in Lifting Gear General, LEEA Foundation Examination, The Proper use of selection Crosby Rigging Products, Lifting Supervisor-BS7121, Mobile Elevating Work Platform (Manlifts), Safety Harness and Fall Arresters (Work at Height), STCW95 and ASNT NDT Level II : MT and PT.

I always wanted to work for a company where I could prove my talent and you are one of the leading organisations in this industry. I think that I am just the type of person you need. Actually, I am hoping that we can grow together.

Thanks & Regards,

K Chinnadurai.
