Dear Hiring Manager,

I am a retired aviation maintenance manager and aviation safety officer from Royal Bahraini Airforce after fifteen years of service. The description you had outlined for the position perfectly match my experience and qualifications. As such, I am highly interesting in joining your team.

I have a Master degree in Mechanical Engineering (Excellent with second honor) ,Bachelor degree in Aircrafts Mechanical Engineering, Diploma in Aviation Maintenance Management, Diploma in Aviation Maintenance Leadership, Diploma in Aviation Safety and a lot of certificates in management and safety .

I served in different positions such as Maintenance control manager, Engines shop maintenance manager, Quality control officer, Ground safety officer ,Organizational and Intermediate maintenance officer, member of Safety and Accidents Investigation Board and member Airforce Continued Airworthiness Inspection board.

I hope that I have given you valuable insight into my experience and credentials. I am grateful for your consideration of my application. Thank you for reading my cover letter and resume.

Your sincerely,

Abdulrahman Aloun
