

Good afternoon Sir/Mam

I hope all going good. This is Mo Adnan. I am sending you message on the behalf of job application for Mechanical Engineer. I have 2-years 7-month working experience. I worked as a MEP Engineer in "Kingdom Projects" in Bahrain for 2-year and 1-month before I worked 6-month in Sofcon Pvt. Ltd in India as a HVAC Trainee Engineer. I have done Bachelor's of Engineering in Mechanical Branch from Rajiv Gandhi Proudyogiki Vishwavidyalaya University. I have Bahraini driving licence. I am Vaccinated and currently I am available in Bahrain. Right now I am looking for a challenging position where I can show case my ability and enhance my professional career. Its great pleasure for me to work for a renowned company. I am expecting a positive response. I am ready to join you immediately.

Kind Regards
