Dear Sir or Madam

I would like to submit my application for a position corresponding to my profile.

I am immediately available, dynamic and adaptable, and I am also a team player. I would like to use my motivation and skills to work in a stimulating team.

My reactivity and dynamism are my strong points. My willingness to fully engage in a relational and evolving job is my main motivation, and that is why joining your team would be for me the opportunity to evolve towards a career in line with my future prospects.

I remain at your disposal for any further information you may require, and I look forward to explaining my motivations to you in person.
