PLACE: BAHRAIN

Dear Sir/Madam,

With this letter I would like to express my interest in filling a vacancy for the positions of Networking, Systems and IT related at your organization, in particular, the position of Network/System/IT Administrator or Engineer. And I hold 4 years of experience in networking and firewalls.

I am currently working as **Network Engineer** at **Epsilon InfoTech WLL** in **Manama Bahrain**. In this position I am responsible for Configuring and installing Checkpoint firewalls, Change management according to the requirement of customers, managing network helpdesk for the customers, installing network devices and configuring according to the requirements, Configuring VPN, Filtering techniques, Policies in firewalls, Enabling security by various means such as NAC, NDR at the beginner level. I have especially experienced with networking and firewall skills as very positive.

I would describe myself as **Cisco Certified Network Associate** individual with exceptional networking and technical skills looking forward for working as a networking professional. Combined with my experience, I believe that I can make a valuable contribution to your organization. I see the position of **Network Engineer** as the perfect next step in my career. In the position, I expect to be able to develop myself further as a professional.

I would like to further explain my motivation to work at your organization during a personal meeting. You can reach me either by phone via **+973 37733386** or by email **vishnuvjs07@gmail.com**.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

VISHNU VEERAPPAN
