

Dear Hiring Manager,

I am submitting herewith my resume for your perusal and favorable consideration for the position of IT Administrator in your reputed organization.

Possess over 14+ years of experience in IT Operations with IT Procurement, IT Asset Management, Microsoft 365 Administration, APM, Designing Customer journey (CVM/CEM), Self Service as core experience. Have displayed outstanding abilities in IT Operations, IT Procurement, IT Assets Management and Exit Employee asset management. My aim is to use my existing knowledge and develop my skills as needed to support any reputed organization and to work in a challenging & rewarding environment to enhance my technical skills and develop further professionally.

I would appreciate it if given an opportunity for a personal interview if the above credentials along with my enclosed resume are ideally suitable for a position in your reputed organization.

Regards,
Sarfaraz
