

# ZAHARADDEEN BALARABE

An enthusiastic individual eager to contribute to team success through hard work, teamwork, and strong organizational skills. A clear understanding of research and using data for decision making. Motivated to learn, grow and excel in any people-centric organization. Strong background in advising students, parents, and other stakeholders from different socio-cultural and socioeconomic backgrounds.

## EXPERIENCE

**Lecturer/Level Coordinator | Kano State Polytechnic**  
| March 2015 - Date

Coordinator for over 100 first-year students each year. Responsible for delivering lectures, advising students, compiling and analyzing students' results using Excel, and using data on departmental resources with other factors to recommend new applicants for admission. Successfully bridged the communication gap between the department and parents which increased their participation by at least 5%.

**Customer Service Representative | ESMCS Ltd. (Etisalat)**  
| February 2015 – March 2015

Answered customers' questions and addressed their complaints by listening to their issues and providing solutions to them in a kind, timely and professional manner.

## EDUCATION

- **Financial Modeling and Valuation Analyst (Online) | 2022 | Corporate Finance Institute**
- **Programming for Data Science with Python (Online) | 2021 | Udacity**
