

Mahmoud Rasas – Projects Manager Job Application

Dear Hiring Manager,

I am writing to apply for the **job as a Projects Manager**, and I wish to be considered for this position.

I am a Civil Engineer serving more than **6 years of experience** in various aspects including **site supervision, finishing works, buildings design and projects management practicing PMP techniques**.

I currently work as a projects manager in a construction company.

Please find my attached CV for more details, and consider my LinkedIn profile for the latest updated information.
