### PROFILE

To seek a successful career position in a progressive organization, where I can practice my knowledge, learn new skills and contribute to the prosperity of the organization as an Architect.

### FINAL YEAR PROJECT (FYP)

**Project Title:** *Reviving the lost name of Peshawar (Designing of incinerator plant).*

I designed Incinerator (waste-to-energy plant) for the burning of 450 ton of solid waste to make the city clean and generate energy instead of dumping the solid waste at dumping site.
