

AR.HASSAN JASEEM K M

Architect (M.arch Recreational Architect), 4 Years' experience

JOB COVER LETTER

Dear Hiring Manager,

I am writing to express my strong interest in the Architect position. With 4 years of experience in the architecture design field and a Master's degree in recreational architecture, I have gained valuable skills in various areas of architecture design and have honed my abilities to deliver high-quality work under strict deadlines.

I have worked on numerous residential and commercial interior projects for over 3 years, gaining a keen understanding of what clients want and need. I have also worked remotely in the landscape design field for a Saudi-based landscape design firm, which has allowed me to become familiar with Middle East projects and management.

One of my key strengths is my ability to learn and adapt according to market demands, ensuring that projects are completed on time and within budget. I have strong software skills in designing and presentation, allowing me to communicate my ideas effectively to clients and senior architects. I am fluent in English and Hindi languages and can easily communicate with clients and contractors.

I am particularly interested delivering high-quality design. I am confident that my skills and experience make me a strong candidate for suitable role and that I would thrive in an esteemed and dynamic environment.

Thank you for considering my application. I would be honored to discuss my qualifications with you in further detail.

Sincerely,

Hassan Jaseem Kattumadathil
