Calicut, Kerala

SUMMARY

As an ACCA Finalist with a solid foundation in accounting, finance, and taxation, I am seeking to leverage my analytical skills, technical knowledge, and commercial awareness in a dynamic and growth-oriented organization. I am committed to delivering high-quality financial insights, ensuring compliance, and contributing to process improvements. With strong interpersonal and communication skills, I aim to grow within a professional environment that values continuous learning, teamwork, and excellence in financial management.
