Dear Hiring Manager,

I have over 10 years of experience with a proven background in supply chain management of SABIC (2nd most valuable chemicals brand in the world), Having an Electronics Engineering degree, it is with great excitement that I submit my resume for consideration to become a member of your team. In addition to my formal education and training, my history of hands-on experiences makes me an excellent match for the unique demands.

In each of my professional roles, I have been successful in producing positive results and I have a consistent history of advancing shared company goals. Please review the following examples from my resume, which outline the many strengths I can leverage to advance Organization's mission.

- Consultancy in development of procurement department with all associated procedures and workflow
- Expertise in managing time-sensitive supply chain management tasks including procurement, vendor management, contracts, negotiations, budgeting, and inventory/warehouse management to drive business growth.
- Having developed a reverse supply chain solution (warehouseintegrated.com)
- Managed and mentored 10 contractors to successfully reopen a plant, resulting in savings of SAR 8M.
- Commended for saving SAR 5M through diligent execution of process optimization projects.

My resume provides further detail on my talent for team collaboration and passion for problem-solving; it is my goal to apply these skills to the progress of a growing company. I look forward to setting up a meeting to discuss in greater detail how I can benefit your organization. In the interim, thank you for reviewing this letter and the attached material.

Sincerely,

Arsalan Malik
