## Experience

### Sergeant (Security Supervisor) / ASF, Pakistan

MAY 2015 – PRESENT

I have been doing security related tasks in the Aviation Industry (Airports Security Force) for 8 years, and have gained a lot of specialized experience, and I have experience as Administrative and Operational Security duty at three major Int'l Airports in Pakistan (As Int'l ICAO Act), and my expertise charted of duty as below: -

- Oversaw daily surveillance / monitoring and patrolling of Airport buildings, parking / grounds and premises.
- Welcoming passengers and dignitaries professionally and courteously to foster a welcoming environment with aviation security and safety as top priority.
- Reviewing CCTV Cameras, system feed and alerted proper respondents regarding discrepancies.

- Monitored and authorized the Entrance and Departure of passenger's vehicles, cargo trucks and passengers. Regulates vehicular and pedestrian traffic within the Airport premises.
- Leads, manages, and performs force protection duties to protect personnel and resources. Stop and tackle any suspicious activity of individual and further reporting to law enforcement agencies.
- I have extensive experienced in fire prevention, emergency response, and first aid. I have a strong understanding of safety protocols and procedures, including the use of firefighting equipment and administering first aid to injured individuals.
- Experienced in writes detailed reports on property damage, theft, trespassing and unusual occurrences.

## Surveillance Representative / Stay-On Hotel

MAR 2013 – APR 2015

I have been doing Security Surveillance Representative related tasks in the Hotel Management for 2 years, and have gained a lot of specialized experience, and I have experience as Administrative and Operational Security duty, and my expertise charted of duty as below: -

- Oversaw daily surveillance / monitoring and patrolling of Airport buildings, parking / grounds and premises.
- Responded promptly to security incidents, alarms, and guest complaints, taking appropriate actions to de-escalate situations and maintain a safe environment.
- Monitored hotel premises using CCTV cameras and other surveillance equipment to ensure safety and security of guests, staff and property. Conducted regular patrols of the hotel, including public areas, back of house, and parking lots, to identify any potential security threats or suspicious activity.
- Implemented and enforced hotel security policies and procedures, including access control measures, visitor management, and emergency response protocols. Trained and mentored new surveillance team members on operating surveillance tools, surveillance techniques, and security protocols.
- Conducted regular audits of monitoring equipment, ensuring proper functioning and promptly reporting any technical problems for maintenance or repair.
- Collaborated with hotel management and law enforcement to investigate incidents, gather evidence and prepare detailed incident reports.
