## ABOUTME

Dynamic and result oriented professional with more than 10 year experience in management, supervision and logistic control. I am hard working, reliable, time oriented and quality driven individual, who uses the initiative to exceed the highest standards.

Provide confidential support to senior and higher level officials to ensure compliance with company objectives and collaborate well with all organization level. A good team leader and listener, always willing to take advices and opinion. I am able to work under high pressure while continuing to deliver a higher level of client service.

Seeking to join your organization to motivate and lead the team to victory of the organization.
