RE: Electrical Engineer

Dear Hiring Manager

I would like to express my interest in the Electrical Engineer position and any other Electrical job opportunities. I am a self-motivated and progress-driven Electrical Operator with an extensive background in this industry. With a long-standing record of initiative and innovation, I have developed and executed strategies that I believe will bring value to Company.

Throughout the course of my career, I have honed my abilities in system installation and diagnostics and troubleshooting. I am an astute problem-solver capable of prioritizing and managing complex projects with proficiency.

In my previous role, I exercised skills in communication, decision-making and Electrical power generation, Distribution , Transmission, electrical system modification and consistently contributed to team efforts and organizational improvements. I am open-minded and focused on new developments in my field. I have proven to be effective and motivational, with proficiency in problem-solving and collaborative work. I enjoy brainstorming and coordinating efforts to achieve a common goal.

Please take a moment to review my enclosed resume and accompanying credentials. I would appreciate the opportunity to speak with you regarding my candidacy for the Electrical Engineer role. I am looking forward to your response and thank you for your consideration.

Sincerely,

SARATH SASIDHARAN
