Dear Sir/ Madam,

I am writing to apply for the **Marketing Manager | Brand Manager | Sales Manager | Social Media Manager | Business Development Manager | Graphic Designer** position at your organization. With my extensive experience in digital marketing and social media strategies and gaining knowledge via my ongoing MBA Program, I am confident I can contribute positively to your organization.

In my previous role at TailorBazar Online project under Ghulam Murtaza and Sons WLL, I managed a team that implemented innovative social media strategies across multiple platforms. We were able to increase the web traffic by 30% and significantly built online customer engagement. With these experiences, I'm confident that I will be an ideal candidate for this position.

I am impressed to join and gain experience every day with an organization that is committed to the values that have guided my work: creativity, innovation, and engaging audiences. I am excited about the opportunity to join and help the growth of your organization and its brand and audience engagement through strategic social media campaigns.

Thank you for considering my application. I look forward to talking with you about this exciting opportunity.

Sincerely,

Udaya Eranga Lokuhewa
