

## To whom it may concern

I am writing this letter to apply for a position in your company. I would like to apply as a Chemical Engineer and I am very interested to occupy this job.

I am a fresh graduate of Bachelor of Science in Chemical Engineering, University of Bahrain. I had some practical experiences during my college career as part of our university curriculum. I have acquainted myself with a range of skills that would allow me to blend with your corporation.

My internship also provided me some experience on different chemical engineering works. Furthermore, I can see that you are looking for candidates who have excellent skills that are relevant to chemical engineers. I have knowledge of the processes of chemical plants, laboratories, Microsoft Office programs, MATLAB, and Aspen HYSYS, as well as excellent interpersonal and communication skills. My organizational and multitasking abilities are advanced.

Together with the cover letter, I attach herewith my resume for your full consideration. I appreciate your time reviewing my application, and it will be a pleasure for me to attend an interview with you at your convenient time. You can reach me by telephone on +973 36370857, or by email at [yaseralnasheet@gmail.com](mailto:yaseralnasheet@gmail.com).

Sincerely,

Yaser Alnasheet
