TryHackMe:

<https://tryhackme.com/p/talhamanzoor69/>

Professional Trainings

- Certified Ethical Hacker
- Try Hack me Junior Penetration Tester
- Red Hat Certified System Administrator
- Cisco Certified Network Associate

Professional Skills

- Penetration Testing tools NMAP, DirBuster, Metasploit etc.
- Vulnerability Assessment tools Nessus, OWASP ZAP, Burpsuite etc.,
- Thorough Knowledge of IBM QRadar.
- Threat Intelligence, forensics and Threat hunting with YARA & Valhalla
- Network Security Monitoring with SNORT, ZEEK, BRIM & Wireshark
- Endpoint Security Monitoring with Sysinternals, Sysmon, Osquery & Wazuh
- Investigations with ELK & SPLUNK, Incident handling with SPLUNK
- Knowledge of Network and Server monitoring tool Zabbix.
- Symantec Endpoint Solution
- Incident Responding with velociraptor
- Virtualization on VMware ESXI
