

Dear Mam/Sir,

Hope you are well. First I introduce you myself. My name is Muhammad Abuzar.

I am 21-year-old hard working and punctual boy. I completed my metric in 2017 from Quaid-e-Azam Higher Secondary School then I completed My 12<sup>th</sup>(I.com) in 2019 from ilama Iqbal open university.

Then I got Computer Operator Diploma in last of 2019 from Government Tevta technical college. After I started job in Solehre Brother Industries in Jan-2020 there my designation is PPC (Production Planning & Control). There I deal from PI (Pro-forma Invoice) to shipment all over process and documentation. Then I resigned from there and came in Bahrain in Sep-2023 and Started job in Day to Day Discount Center Bahrain as a Data Entry Supervisor. Now I want to join you. I have good experience in Packing, Barcoding by customer wise and product wise and area wise. I am leaving Day to Day Discount Center Bahrain because of there is no chance of growing and learning. I am hardworking and multitasking boy. I don't want to earn only I want to get experience. I have one-year free visa and can join you as soon as possible. I hope you response me soon.

Regards,

Muhammad Abuzar
