Dear Recruitment Head and Team,

I am writing to express my interest in this position at your esteemed institution, as advertised. With a Ph.D. in Molecular Phylogenetics under faculty of Science and over 14 years of extensive experience in microbiology, molecular biology, and bioinformatics, I am confident in my ability to contribute effectively to your team.

During my tenure as a Senior Microbiologist at Zeus Biotech Pvt Ltd and as Regional Head at iLuZia Lab LLP, I have demonstrated my expertise in research and development, laboratory management, and team leadership. My work on molecular marker-based phylogenetic studies and my involvement as Scientist in the NHM scheme at the Regional Public Health Laboratory has honed

my skills in both practical and theoretical aspects of Virology, microbiology and molecular biology.

In addition to my technical skills, I have a strong background in academia, having served as an Assistant Professor at multiple esteemed institutions, including the University of Calicut and Government Arts and Science College Kozhinjampara. I have developed and delivered curriculum for undergraduate and graduate students, covering a wide range of subjects from Immunology to Food and Industrial Microbiology.

My passion for continuous learning and development is reflected in my participation in numerous workshops and training programs, including the GIAN workshops on Genome Manipulations and Molecular Biology techniques. I am also an active member of professional associations such as the American Society for Microbiology the Indian Association for Angiosperm Taxonomy and the Calicut University Botanical Society.

I am particularly drawn to the opportunity at your esteemed institution due to your commitment to innovation and excellence in the field of Research and development. I am excited about the prospect of contributing to your team and leveraging my skills in Molecular Biology, Microbiology and Computational Biology to support your organization's goals.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm can be in line with the goals of your esteemed organization. Please find my CV attached for your review. I am available at your earliest convenience for an interview and can be reached at +919495700579 or via email at vimalkp2006@gmail.com.

Sincerely,

Dr. Vimal K. P.
