

Curriculum Vitae

Personal Information

Name : Abdulkhaleq Abdulkareem Yaslam Babattat

Nationality : Yemen

Date of Birth : 12/7/1992

Place of Birth : Tarim - Hadhramout - YEMEN

Sex : Male

Marital Status : Married

Contact Details

Address : Ishbiliya - Block 4 - Street 409 - House 36 - Kuwait.

Mob : +96566691305 - +96569991305.

Email : babttat.aa@gmail.com

Education

- 2017 Bachelor of Science and Technology Petroleum Engineering Faculty of Engineering, University of Hadhramout - Hadhramout - Yemen.
- 2011 Tarim High School - Hadhramout - Yemen.

Languages

Language	Speaking, Writing and Reading
Arabic (Mother Tongue)	Excellent
English	Very good

Experience:

❖ **ESP Field Engineer:** 7/2021 _Present.

Company: Al-Khorayef Petroleum

Location: Kuwait Oil Fields, Kuwait.

Experience in ESP System:

- Assembly(Installation) and Pull out for ESP equipment's (Motor -Gas Separator - Seal Protector - Pump).
- Doing Pump Test.
- Installing and Test Sensor.
- Do inspection and repair New/Used cable.
- Testing cables.
- Assembly MLE.
- Splicing MLE to Motor.
- Splicing MLE to cable.
- Splicing New/Used Cable (RND/FLAT) with Cable (RND/ FLAT).
- Assembly(Installation) Y-Tool with ESP.
- Assembly (Installation) Shroud with ESP.

❖ **Assistant Driller (Water Well Drilling Rig):** 8/2020 _ 9/2020

Company: Al-Wasem United

Location: Alwafra, Kuwait.

- Working with an experienced Driller sets up Rig and drilling equipment.
- Directs assembly and disassembly of Pipes, Casings and Drill headings and Controls speed and force of drilling.
- Attaches and detaches lifting equipment to lower or raise sections of drill pipe into or out of bore hole.
- Controls pumps which circulate mud through drilling equipment
- Services pumps.
- Undertaking routine maintenance and repairs under the Supervision of an experienced driller.

❖ **Summer Training Program:** 1/2019 _ 2/2019

Company: PetroMasila Company's Facilities

Location: Hadhramout, Yemen.

- Safety Orientation.
- Theoretical and practical course about Fire Fighting & Self Contained Breathing Apparatus(SCBA).
- Knowledge and information about fluid gathering system, gas-oil-water separation system and chemical injection system and different types of wells (LGOR & HGOR producers & injection wells).
- Training in Warehouse, Drilling Yard and Baker Workshop to have knowledge and information about drilling and completion equipment.
- Training in SlickLine Unite to have knowledge and information about ESP components in addition to method of testing these components after retrieving from wells.
- Training in maintenance workshop (Mechanical Division, Electrical Division and Instrumentation & SCADA Division) To have knowledge about all maintenance works at CPF& Field.
- Training to Service Rig at well location during the carrying out of a "Workover".
- Lectures about: Field & central processing facilities operations, Production engineering works (well initial completion).
- Behavioral interviewing skills.

Skills

- **Good communication.**
- **Team work ability.**
- **Ability to work under pressure**
- **A solid knowledge in Microsoft office (Ability to use Word, PowerPoint and Excel).**
- **Strong decision maker.**
- **Serious and hard workers.**
- **Speed to learn.**

Training Courses

- **Occupational Safety and Health Administration (OSHA45 for Safety manager).**
- **(IASP) Occupational Safety and Health Advance Diploma (OSHA30 for Safety officer).**
- **Managing Safely -Institution of Occupational Safety and Health (IOSH).**
- **Well Cementing Design.**
- **Health & Safety and Environment.**
- **Control & Measuring and Safety Devices.**
- **Introduction to Oil and Gas Industry.**
- **First Aid.**
- **The Interactive English Program from A1 to B2.**
- **English Conversation level A.**
- **English for Work Place.**
- **Business English Skills by AMIDEAST Kuwait.**
- **Innovation and Creativity Workshop by AMIDEAST Kuwait.**
- **International Computer Driving License – Base Skills.**
- **Microsoft Excel.**
- **Excel for Engineering.**
- **Advance Skills in Excel.**
- **Communication Skills.**

Summary

- **My goal is to find suitable job in suitable location in order to present the qualifications and skills I have in it, and to gain more experience to advance them to the best.**

Notes

- **Member of the Kuwait Society of Engineers.**
- **Transferable visa 18**
- **3 Months' notice**
- **References provided upon request.**
