

# REMYA C R

## CIVIL/STRUCTURAL ENGINEER

A highly motivated and results-driven professional expertise in Structural Engineering, Project Coordination, and AutoCAD operations. With strong Foundation in Civil Engineering, I have Successfully contributed to various Projects as an Assistant Engineer, ensuring quality control, timely execution, and adherence to technical specifications. My experience as Project Coordinator has honed my skill in team management, scheduling and budget tracking, while also fostering seamless communication between Stakeholders. Additionally, I have hands-on experience as an Auto Cad Lab Coordinator, assisting students in mastering the technical aspect of AutoCAD for Design and Drafting Purpose. Proficient in Interior Estimation as well as maintaining up to date knowledge of market trends, materials and pricing. I am committed to driving efficiency and excellence in all areas of work.
