

Dear HR,

I am excited about the opportunity to contribute to your team and support your company commitment to health, safety, and environmental excellence.

With extensive experience in developing, implementing, and maintaining comprehensive HSE documentation, I am confident in my ability to provide effective support and advice to operations teams. My expertise includes creating detailed Risk Assessments (RA), Standard Operating Procedures (SOP), and Safe Work Instructions (SWI). Additionally, I have a proven track record in developing creative HSE campaigns that engage and educate employees, fostering a culture of safety within the workplace.

I have also been involved in the development of comprehensive training modules tailored to meet the specific needs of various teams, ensuring that all staff are well-versed in safety protocols and best practices. My background includes conducting site inspections, enforcing safety protocols, conducting detailed risk assessments, leading safety training programs, and conducting thorough incident investigations.

Please find my attached CV for your review. I am eager to bring my skills and experience to your organization and am confident that my proactive approach to safety management will be a valuable asset to your organization. I look forward to the opportunity to further discuss how I can contribute to the success of company.

Thank you for considering my job application. I am looking forward to your positive response.

Best regards,

IRTIZA LIAQAT
