

Subject: Senior Executive – Strategy, Finance & Turnaround | Bahrain-based

Dear Sir,

I hope you're doing well. I'm currently exploring senior-level opportunities in Bahrain or the GCC region, where I can contribute my 20+ years of experience in corporate strategy, fundraising (US\$ 150M+), M&A, and business turnarounds.

Most recently, I am serving as Group COO at Dawani Group in Bahrain, where I led the turnaround of underperforming business units and drove expansion across verticals. Prior to this, I was Group CFO at Lava International, where I managed global fundraising, strategic investments, and overseas expansion (including a Dubai hub).

I'm keen to connect if there are suitable opportunities for a Group CFO, COO, or Strategy/Finance leadership role—or if you'd be open to a quick call to exchange ideas.

Please find attached my CV for reference. I appreciate your time and look forward to staying in touch.

Best regards,
