

Dear Mr. /Ms. /Mrs,

I am writing to express my interest in the Computer Technician position you are hiring for. With a strong foundation in Networking and Telecommunication Technologies from ACLC College and over five years of practical experience in the field, I am confident in my ability to contribute effectively to your team.

My background has equipped me with a diverse skill set and a deep understanding of both software and hardware issues. I excel in diagnosing and resolving technical problems to ensure that computer systems and devices operate at their highest efficiency.

In my current role, I am proficient in:

- Identifying and troubleshooting hardware and software issues
- Maintaining and upgrading both hardware and software systems
- Resolving network and connectivity challenges
- Repairing and enhancing computer systems
- Installing and configuring software applications
- Addressing and managing security concerns
- Testing and debugging programs
- Overseeing workstation management, including inventory and technical support

I am dedicated to delivering solutions that meet and exceed expectations. I am excited about the opportunity to work in an environment where growth and development are prioritized and am eager to bring my skills to your team.

Thank you for considering my application. I look forward to the possibility of discussing how my experience and qualifications align with your needs.

Sincerely,
Moses Jr Bucad Sabert
