Greetings of Peace!

Dear Hiring Manager,

I hope this message finds you well.

I am writing to express my sincere interest in a Special Education Teacher or Key Stage 1 Primary Teacher position or any role that aligns with my teaching experience at your school. I hold a Bachelor of Science in Special Education, a program focused on meeting the developmental, academic, and behavioral needs of young learners.

With four years of teaching experience, I feel confident and well-prepared to contribute meaningfully to your school community. I previously worked as a Kindergarten teacher in the Philippines, where I had the joy of nurturing young minds and helping shape their early learning experiences. That role enriched both my personal and professional growth and deepened my commitment to creating a safe, engaging, and supportive classroom environment.

For the past year and a half, I had been working as a Special Needs Teacher at Al Rawabi School. The children I've worked with have taught me so much. They've shown me the importance of kindness, understanding, and celebrating even the smallest wins. Every proud smile, every moment of growth it all reminds me why I chose to be a teacher.

Thank you very much for considering my application. It would be an honor to bring my skills, dedication, and passion for education into your school community.

Warmest regards,

Jessa P. Aquino
