Subject: Application for Driver Trainee Program with Visa Sponsorship

Dear Hiring Manager

I am writing to express my strong interest in joining your company's Driver Trainee Program. I am a physically fit, motivated individual from Kenya with a passion for logistics and transportation, and I am eager to launch my driving career through a structured training opportunity that also offers visa sponsorship and long-term employment.

Though I am a new entrant in the field, I bring with me a solid foundation of work ethic, safety awareness, and reliability developed through my experience as a warehouse assistant and shop support staff. I have assisted in dispatch, loading, and route planning, and I am confident that with the right training, I can quickly become a dependable and productive driver for your team.

I am fully prepared to relocate internationally and commit to a long-term contract of 2 years or more. I hold a valid Kenyan driving license (Class B), have a valid passport, and am ready to meet all relocation and training requirements.

I believe your organization's commitment to training and development aligns perfectly with my own goals, and I am enthusiastic about the opportunity to contribute to your success while learning and growing as a professional.

Thank you for considering my application. I look forward to the opportunity to join your team and prove myself as a reliable, hard-working trainee driver.

Yours Sincery
