Subject: Application for Preschool Teacher Position

Dear Hiring Manager,

I am writing to express my interest in the Preschool Teacher position at your institution. I hold a Bachelor's degree in Software Engineering and bring over five years of teaching experience, both online and in person. I have successfully taught students from Canada, Dubai, and America in subjects including Maths, Science, English, and Computer Studies, and I am currently providing home tuitions in Bahrain.

Throughout my teaching career, I've learned that early childhood education is about more than academics—it's about nurturing curiosity, confidence, and compassion. Alongside teaching, I have been an active handball player for over eight years and a gold medalist at the national level. This background has strengthened my sense of teamwork, discipline, and resilience, while keeping me mentally sharp and physically fit—qualities I bring into the classroom to create an energetic and positive learning environment. My ability to work collaboratively with colleagues and parents, combined with strong organizational and time management skills, allows me to create structured yet engaging lessons.

I would be honored to contribute my dedication, experience, and enthusiasm to your team. I am confident that my background and commitment to student growth make me a strong fit for this role.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your school community.

Warm regards,

Muhammad Junaid
