

Dear Hiring Manager,

I am writing to express my interest in a role related to tourism, hospitality, or customer service opportunities. I hold a Bachelor's degree in Tourism Management from the University of Jordan and bring hands-on experience from the hospitality sector, where I have worked as a Head Waiter (Captain Waiter) in fast-paced, service-driven environments.

Through my professional experience, I have developed strong skills in guest relations, service quality control, team coordination, and handling high-pressure situations while maintaining excellent customer satisfaction. These roles strengthened my communication skills, attention to detail, and ability to work effectively within diverse, multicultural teams.

My academic background in tourism provided me with a solid understanding of travel operations, customer experience management, and the tourism industry structure. I am particularly interested in working with travel agencies or tourism-focused organizations where I can combine my practical hospitality experience with my academic knowledge to deliver high-quality service and contribute to business growth.

I am highly motivated, adaptable, and eager to learn. I am seeking an opportunity that allows professional growth while adding value through dedication, reliability, and a strong service mindset.

Thank you for considering my application. I would welcome the opportunity to further discuss how my skills and background can support your team.

Yours sincerely,  
Abdullah Aldeiri
