

NOUR EL DIN EL-AMROUSI

Mechanical Engineer

Fontana Suites, Juffair, Bahrain | +97366999917 | English & Arabic

PROFILE

Mechanical Engineering graduate with hands-on experience in maintenance, site support, technical coordination, troubleshooting, reporting, and process improvement. Strong in teamwork, communication, safety awareness, and problem solving. Adaptable and quick to learn, with practical exposure to industrial sites, automotive diagnostics, and technical operations.

CORE SKILLS

- Maintenance
- Troubleshooting
- Technical Support
- Site Operations
- Reporting
- Planning
- Problem Solving
- Teamwork
- Communication
- Safety
- Coordination
- Data Analysis
- Preventive Maintenance
- Process Improvement
- AutoCAD
- MS Office

SOFTWARE

- Excel
- PowerPoint
- AutoCAD
- SolidWorks
- MATLAB

LANGUAGES

- Arabic - Native
- English - Fluent

CAREER FOCUS

- Engineering
- Operations
- Maintenance

PROFESSIONAL EXPERIENCE

Maintenance Engineer | MASA

Mar 2025 - Present

- Manage preventive maintenance activities and maintain technical records for equipment and site operations.
- Support installation work, troubleshooting, RFQ analysis, cost tracking, and coordination with customers and internal teams.
- Follow EHS procedures and support safe execution of maintenance and engineering activities.

Trainee - Jaguar Land Rover | MTI Automotive

Jul 2024 - Aug 2024

- Supported automotive diagnostics, fault identification, and technical problem solving.
- Worked with teams under time pressure and communicated findings and recommendations clearly.

Trainee - Industrial Site Safety & NDT | DNV at ANRPC Site

Jul 2023 - Aug 2023

- Gained exposure to EHS principles, NDT methods, and failure analysis in an industrial environment.

EDUCATION

Bachelor of Engineering in Mechanical Engineering

The American University in Cairo | 2019 - 2024

LEADERSHIP & ACTIVITIES

- Projects Manager, Enactus AUC - led planning and execution of a sustainability-focused student project.
- Logistics Manager, Entrepreneur's Society Club - supported procurement planning, coordination, and budget tracking.
- Volleyball Team Player - built discipline, teamwork, and performance under pressure.

- Manufacturing
- Industrial Services
- Automotive
