Bahrain

With Regards,

Herewith I send application letter and curriculum vitae in response to your advertisement in the daily times, Wednesday 10 June 2020.

I have had experience over the past 4 years as aircraft engineering maintenance in Bahrain airport services " Beac ". I got a certificate from a course Airport security. And I have been trained with professional engineers in most international airlines, and they are is EgyptAir, Emirates Airlines, Saudia airlines, air india, Oman Air,Turkish Airlines,Cathay Pacific. And cargo airlines which are DHL,polar,southenAir,Fedex.

I realize that your resume or curriculum vitae that I submit this can not explain my qualifications in depth. Therefore, I really hope there is a chance will give will be a tremendous asset for PT's Daily mail.

Sincerely Abdullah.
