

Dear Sir

I would like to apply for the post of Civil Engineer in your esteemed organization.

I am currently employed with Panorama Contracting and Engineering services Wll, where I am designated as Sr.Civil engineer for the construction of a water station. I am relied up on organizing daily activities, weekly look ahead program to achieve target dates, preparing daily construction report, Coordination with external contractors, and sub-contractors, I firmly believe that my knowledge and experience gained as an experienced Civil Engineer will add value to this position and ultimately your organization.

I have also worked with an Engineering Office where I performed duties such as daily site inspections for different projects, monitoring quality and safety standards followed by each contractors, submission of weekly and monthly progress reports to the clients, Evaluation of invoices and BOQs.

Please have a look at my enclosed resume for detailed information of my work experience and education. Looking forward to discussing more in person.

Sincerely,

Nabeel Thasim
