HR Manager

Dear Hiring Manager,

I, Ahmed Nusairat, am a **Banking & Finance Graduate** from **University of Bahrain**. I have gained, over the years, experience in various fields which makes me distinctive among others.

I always believed that to become successful I should work from a young age. For this reason, I never left an opportunity to go untouched. The following experiences prove that:

- Trained recently as an **Accountant & Sales Executive with Elysian Water, Bahrain.**
- Worked as a Part Time **Salesman** with **Al Hawaj Group, Bahrain**, and
- Worked part time in **Survey Collection** and **Spring of Culture Festival**.

With a willingness to grow more every day I face challenges as opportunities which make me stronger. My **communication** and **teamwork** skills always help me in my academic career. Over time I've learned to **manage time** very well which results in me performing more tasks in lesser time. Moreover, with **decision making** and **problem-solving skills**, I always come up with new ideas to make the team achieve the goal in the best possible way.

I hope with this skillset I will be an ideal candidate for this opportunity.

Looking forward to hearing from you.

Sincerely,

Ahmed Nusairat
