

Dear Hiring Manager,

Thank you for the opportunity to apply at your company.

I am a hard-working recent graduate of Chemical Engineering from the University of Bahrain. Working currently as an Outside Field Operator in BAPCO and have previously worked as an environmental officer in a construction company. Throughout my academic career I have been working tirelessly to improve my knowledge in the environmental sector, and have taken environmental engineering as an elective course, and have done my senior project on the reduction of cyanide and flouride in spent pot lining. After graduation I have taken Highfield Level 2 International Award in the Control of Substances Hazardous to Health (COSHH), and I am a holder of NEBOSH Environmental Management, and NEBOSH IGC certificate, and I am at this moment doing the NEBOSH International Diploma in Environmental Management.

After reviewing my resume, I hope you find that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities that will benefit your organization. Please contact me at +97339996588 or via email [a.alnazer6@gmail.com](mailto:a.alnazer6@gmail.com) to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Ahmed Alnazer
