Dear Sir/ Madam,

Please find attached my Resume for the position of HSE Manager for Projects. I'm particularly interested in this opening / position, which relates strongly to my +19 years of experience in Environment, Quality, Occupational Health and Safety Management field.

As HSE Manager with Bilfinger Tebodin Consultants and Engineers, Bahrain, I believe I meet all the essential criteria of the position. Highlights of experience and demonstrated talent I would bring to your organisation include:

- § Successfully attained ISO Certificates Bilfinger Tebodin Middle East, Bahrain
- § Efficiently maintained the Fire Hydrant System in good working condition to meet emergency requirements
- § Possess good communication, relationship management, team building and analytical skills

I am now looking to take up roles in Health, Safety and Environment Management in companies. Of particular interest to me would be positions in Strategic Planning, People Management and Team Management.

I appreciate your taking the time to review my credentials and experience. Looking forward to a positive response.

Thanking you.

Sincerely,

GANESH KRISHNAMURTHY
