 Zakialhanbali93@gmail.c  (973) 33402750  Sanad-Block 743-Road 4337-House 1118

Dear Sir/ Ma'am,

I'm pleased to be applying for this position. As a Civil engineer with 2+ years in the field of Civil engineering, I believe that my extensive experience working with consultants, clients, and engineers, as well as working on construction projects, will contribute greatly to your organization.

I am recognized for my attention to detail and precision in the handling of site work and managing projects. Moreover, I have a proven track record of expert communication, having worked as a liaison between various teams, including design, execution, quality assurance, and contracts in general.

What draws me most to your company is your work in the big projects nationwide. During my time as both site and project engineer, I learned the demands of working in a professional environment and pride myself on maintaining the utmost adherence to safety and sanitation rules and regulations. Furthermore, I make a priority of studying the latest industry trends and best practices, ensuring that myself and my team are bringing the most current standards to the shop floor.

Enclosed you will find my resume, which further details on my skills, experience, and qualifications. I look forward to further discussing with you how I can contribute to the goals of your organization. Please contact me at your earliest convenience via email at zakialhanbali93@gmail.com or by phone at (+973)-33402750.

Sincerely,

[Zaki Allam Al-Hanbali]
