

Kareema Abdul-Samad Mohammad
House77, Road 3501, Riffa / Alhajiyat 935, Kingdom of Bahrain

To whom it may Concern:

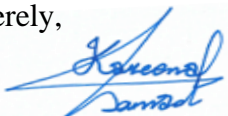

As graduated Bachelor Civil Engineer degree (obtaining GPA 3.24), I am excited to work in progressive organization - which can expand all my knowledge and provide me exciting opportunities to utilize my skills and qualification in the success of the organization. In addition to enter an impeccable relationship with an organization of repute which can utilize the inherent talent of the incumbents to the maximum and to work on a challenging and dynamic project with good amount of freedom and corresponding work responsibility. My academic background, coupled with my relevant work experiences has given me the tools and ability necessary to add value to the position of Supervisor/Resident/Project Civil Engineer. I am eager to win a position in the field and feel confident that I can fulfill the requirements you have for the person that will hire. I aspire for a challenging position in a professional organization where I can enhance my skills and strengthen them in conjunction with organizations' goals. I am self-motivated achiever with an ability to plan and execute and meet the targeted deadlines.

With nearly Eight years of experience in using Auto-CAD in designing Buildings, Roads and Infrastructures projects, Infrastructure-Utilities design, as well as working as: Geotechnical Assistant Engineer ,Quantity Surveyor and currently working as Project Engineer in Managing and Supervising the SOW-Scope Of the Work- as per as specifications and descriptions beside to managing manpower and making BOQs' in addition to Daily/Monthly/Yearly reports ,etc... with Electricity and Water Authority Outsourcing-Water Distribution Directorate Project as Contractor Project Engineer in Charge. I am seeking to develop my skills in my next challenge.

The strong points that I rely on, skills in management technics, modeling and designing projects and focus on getting the job done well and on time, have resulted in all projects being completed successfully and with very positive feedback from managers and clients. I have thorough knowledge of the PMP, STAD-Pro.Vi8, Auto CAD, 3Dmax and others where you can find in my resume, also excellent interpersonal and communication skills with team/client, multitasking abilities are advanced.

Please find attached my resume, which provides the full details of my education and qualifications. Feel free to contact me at +973-39775808 or k.asamad.eng@gmail.com for any following up purposes. I appreciate your kind consideration and look forward to further discussing such opportunity with you.

Sincerely,

Kareema Abdul-Samad Mohammad
