### Online courses

The Basics of Supply and Demand and Consumer Behaviour, University of Rochester.

### Business Owner

*Owner of Aromas.Essentials  
store on Ebay.com  
100% positive feedback*

### OBJECTIVE STATEMENT

The logistics sector is a corner stone for the economic development of Bahrain and a part of the 2030 vision, which the logistics program in Bahrain Polytechnic was developed upon. Therefore I am willing to explore how domestically-operating companies are working to unlock the upward horizons for the massive logistical opportunities within the region. Hence, I will dedicate my knowledge and experience to the position and will save no effort to learn what improves my work performance.

### Experiences

- Logistics Intern at Babasons/Megamart Group (August-November 2019)

Warehousing, import and procurement Departments

- Owner of Aromas Online store on Ebay (2017-2019)

Undertaken all the aspects of managing the store including maintaining relationships with suppliers, marketing through social media platforms, packaging, arranging worldwide shipping and Customer relationship management.

### Education

- Bachelor of International Logistics Management – (Bahrain Polytechnic)  
2015-2020
- Certificate in Academic Preparation – (Bahrain Polytechnic)  
2014- 2015
- High school certificate (science) – (Ministry Of Education)  
2011 -2014

### Professional qualifications & Achievements

- CILT international Diploma in Transport & Logistics – Level 5.
- CILT international certificate in Transport & Logistics – Level 3
- Logistics Workplace Health & Safety Course – Bahrain Polytechnic.
- ICDL computer essentials & online essentials.
- Scholarship of academic excellence (logistic degree) Ministry of Education.
