INTRODUCTION

I have more than 8 years of experience in Graphic / Web Designing & Development, Specializing in both Web & Print media. My skills & Expertise include Graphic Designing, Branding, Website Designing, Wordpress CMS Websites, Social Media Advertising.

My primary focus is on designing / developing solutions with ready available resources to minimize time consumption and maximize end results. I can also help take your idea or concept and turn it into a successful output. Excellent and effective troubleshooter with skills in System & Server Administration. Lifelong learner with an aptitude for rapid digestion of new material.
