Dear Sir,

As a skilled Civil Engineer, I read your posting for a new civil Engineer with interest. My experience aligns well with the qualifications you are seeking at your organization in particular my role as a Civil Engineer at Sky Tech Contracting W.L.L and I am certain I would make a valuable addition to your organization.

With 3 years' experience as a civil Engineer I am adept in project management and customer coordination. Moreover while my on the job experience has afforded me a well –rounded skill set including first – rate organizational and communication skills.

- Act as the main technical adviser on a construction site for subcontractors, craftspeople and operatives
- Check plans, drawings and quantities for accuracy of calculations
- Day –to-day management of the site, including supervising and monitoring the site labour force and the work of any subcontractor
- Prepare reports as required
- Supervising the construction, billing and labour control.
- Resolve any unexpected technical difficulties and other problems that may arise

In addition to my experience and personal qualities I have a solid educational foundation and passion for Civil Engineering. I would welcome the opportunity to contribute my own energy and expertise, as a Civil Engineer, to ensure your company's growth.\

Please review my attached CV for additional details regarding my expertise and career achievements. I look forward to hearing from you and having an opportunity to meet and discuss how my experience and background meet your needs.

Thank you for your time and coordination.

Sincerely

Rengarajan Sankar
